

A romantic wedding scene featuring a bride and groom walking together in front of a grand, classical building. The bride is wearing a white, ruffled gown and a veil, holding a bouquet. The groom is in a grey suit. Three doves are captured in flight against a soft, golden sky. The overall mood is elegant and timeless.

Experience

HELLO *and* WELCOME

Hey there, and welcome! I'm Marko, and I couldn't be more excited that you're here.

Capturing love stories is what I live for. Your wedding isn't just an event, it's a deeply personal celebration of who you are, the journey you've taken together, and the promises you're making for the future. I'm here to help you slow down and soak it all in, so you can relive those real, joy-filled moments for years to come.

Whether you're planning an elegant soiree, an intimate getaway, or something wildly and wonderfully your own, I'll be there with a camera in one hand and my heart in the other.

This is your story. Let's capture it beautifully.

MEET THE ARTIST

I'm Marko, a photographer and videographer with a passion for transforming real love stories into refined visual narratives. I believe wedding imagery should feel as intentional as it is emotive—elevated yet honest, cinematic yet deeply personal. I'm here not just to document your day, but to create timeless work that reflects your story with clarity, artistry, and heart.

This isn't just about beautiful photos and cinematic footage—it's about creating a seamless, stress-free experience from start to finish. From the first conversation to the final gallery, I'm here to make you feel seen, supported, and completely at ease—so you can focus on what really matters: being fully present for the day you'll never forget.

You won't see us—but you'll feel us in every photo, every detail, every moment that makes you say, "Wow, I didn't even notice that happening!"

We're not just here to document your day, we're here to elevate it. Whether you dream of timeless elegance or a celebration that keeps the dance floor alive all night, we're here to make it happen. No stress, no drama—just a team that gets you, supports you, and makes sure your day is unforgettable in all the right ways.

FAQ

Are there any other packages available?

Yes, we'd be happy to create a personalized package tailored to your vision. Every wedding is a beautiful love story, and we believe it deserves to be captured in a way that's as unique as your journey together.

Are travel and accommodation costs included in the packages?

We like to keep things clear and simple when it comes to travel costs, so you'll always know exactly what to expect, no hidden fees or surprises. We're happy to book accommodation ourselves or leave it up to you, whatever works best for your plans.

Are Payment Plans Available?

We want your journey to feel effortless, like a dance leading to your wedding day. With flexible payments along the way, your wedding day arrives with everything in harmony, leaving you free to simply be present.

How Will My Images Be Used or Shared?

Your privacy means the world to us. After your wedding, you'll be able to let us know which moments you'd prefer to keep just between us. If you'd rather we don't share any images at all, we simply add a 20% privacy fee to honor that request.

Do you provide RAW files?

No, we do not provide unedited RAW files as they are considered unfinished product.

We're so grateful for such a beautiful day!

From the moment we connected, we knew we were in the best hands. The team was incredibly professional yet so warm and approachable—it felt like having close friends by our side. They guided the day with such ease and grace, making everything flow effortlessly. Every detail was handled with care, allowing us to be fully present and enjoy every moment. Looking back, we can truly say they helped create an experience we'll never forget.
